Working Sheet: Mapping and Involving the Network in Your Sustainability Practice

Intro

Thinking about starting a sustainability practice at your school but not sure where to begin? This network mapping brainstorm can help your school spot the people and connections around you that can support your ideas and create shared value.

Step 1

BRAINSTORM YOUR SUSTAINABILITY IDEA

Briefly describe a sustainability challenge or idea you'd like to address in your VET school.

My Idea / challenge:

Step 2

Identify Your Audience

Briefly describe a sustainability challenge or idea you'd like to address in your VET school.

Category	Who might be involved?	How can they support or benefit?
----------	------------------------	----------------------------------

Local Community / Neighbourhood		
------------------------------------	--	--

Municipality		
--------------	--	--

Industry partners / businesses		
-----------------------------------	--	--

Other schools		
---------------	--	--

Environmental NGOs		
--------------------	--	--

International partners		
------------------------	--	--

...		
-----	--	--

Step 3

HIGHLIGHT KEY ALLIES

Circle or mark the top 2-3 people or groups who seem most promising to help get your idea off the ground. For each one answer below questions.

For each one answer below questions

Who are they?

Why are they important?

What would be a good first step to involve them?

What will you ask or propose?

Who will you contact?

Follow-Up
